TAFTVILLE
 A very pretty wedding took place at Sacred Heart church Monday morning at 8 o'clock when Miss Delina Baines and Arthur Dufour were united in marriage by Rev. Father Bellerose, many friends of the couple being present. The bride is the daughter of Arthur and Philomena Baines, of Taftville, the groom the son of Henry and Eliza Rousseau Dufour and was born in Canada. Before marriage Mrs. Dufour was employed at the Pottam Mills. Mr. Dufour is employed as a section hand.

After the wedding there was a reception at the home of the bride's parents and friends of the couple attended. Many beautiful and useful presents were received by the bride. Late in the afternoon the married couple traveled to Baltic in an automobile, pursued by their friends who wished to see them safely off on their honeymoon. They couple first journeyed to Providence and from there to other points. Upon their return they will live at Taftville.

Internal revenue men were about the village Tuesday and explained the law to those who did not understand. From Paul, with the men, the methods in which prices of admittance to dances were printed. The old method was to print admittance 30 cents, including war tax. This is wrong and there is a fine for advertising so. It should read, admittance 15 cents, war tax 4 cents.

To Make Hairs Vanish
 From Face, Neck or Arms
 Keep a little powdered deodorant handy and when hairy growths appear make a paste with some of the powder and a little water, then spread over hairy surface. After 2 or 3 minutes rub off, wash the skin and it will be entirely free from hair or blemish. This simple treatment is unfailing, but care should be exercised to be sure and get genuine deodorant, otherwise you may be disappointed.

COLLEGE HONORS FOR NORWICH GIRLS

emphasized the fact that such a state is attainable; every man reaches it now and again; the great tragedy of life does not lie in the narrowness of his attainments, but in the low average of actual attainment.

Continuing the speaker said: If it be true that the methods of moraine, employed in the war do in fact most effectively multiply man's moral energies, then we have no longer a course to endeavor to teach the art of peace from the book of war. In college, you unite for your efforts with those of others for the discovery of truth, for the development and enrichment of your powers and for the dedication of youth to the service of others in the great nation and the world.

WRITES LETTER THAT IS WORTH READING VERY CAREFULLY

Peterston, Ontario, Co. Inc., Buffalo, N. Y. I was advised with respect to my case by my lawyer, I am a teamster. I tried all medicines and salves, but without success. Frank Peterston's Contentment was recommended to me and by its use the sore was entirely healed. Thank you, yours, William H. Hays, West Park, Ohio, March 22, 1915, care P. G. Reitz, Box 195.

GAS STARTS FIRE IN
SACHEM STREET CELLAR
 An explosion of gas when the main pipe enters the cellar of the apartment house, No. 49 Sachem street, started a fire there Wednesday morning about 10 o'clock for which an alarm was rung in from Box 33 at the corner of Washington and Sachem streets. The fire was put out by the department before any of the occupants were aware of what was happening. The only damage was a small hole burning in the casing in the cellar.

The fire started when gas became ignited while employees of the city gas department were working in the cellar. One of them at once turned in the alarm from the box. The building is known as the Sachem flats and is owned by George W. Carroll.
